

Northridge South Neighborhood Council

Get Involved!

The people who live, work and care about our community are joining forces to form the Northridge South Neighborhood Council

Certified Neighborhood Councils allow the community to:

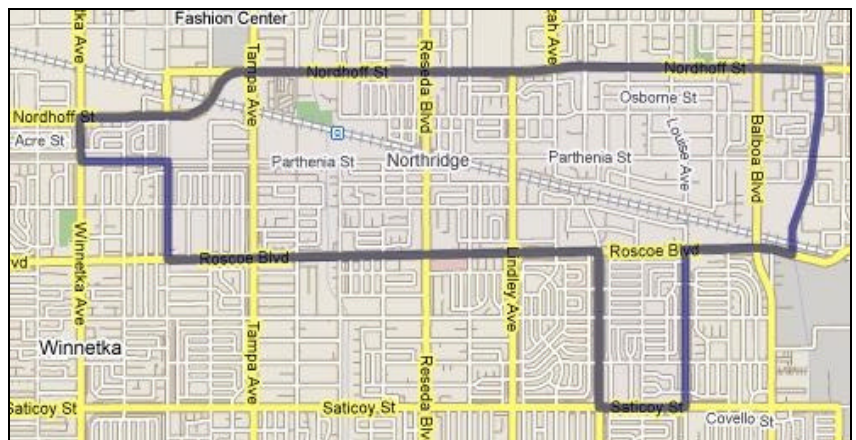

- ❖ Have representation that will best suit the needs of its stakeholders – tenants, homeowners, business owners, employees and people who are served by the community (including non-profits, schools, churches, temples and other social service agencies).
- ❖ Gives your neighborhood the ability to affect City decision-making effectively.
- ❖ Establish close relationships with all levels of government, including City services and the Board of Education.
- ❖ Promote public participation and create a sense of community in our neighborhood through special projects and events.
- ❖ Empower stakeholders to more effectively improve your neighborhood.
- ❖ Have access to a citywide database of Neighborhood Council Leaders.
- ❖ Access City resources and other services for the ongoing development of our council.
