

# Neighborhood cooperative sidewalk clean-up

*Date: Saturday, May 20, 2017*

*Time: 8:00 a.m.*

**WHERE:** Assemble at the Bank of America parking lot at Balboa Blvd just north of Parthenia Street

Did you know that your responsibility for maintenance of the parkway extends outside the fenced perimeter of your yard? Please join members of your Northridge South Neighborhood Council for a couple of hours to get the ball rolling and clean-up the parkway behind your wall along Balboa Boulevard. When your visitors and guests come to see you they will see a clean beautiful area of the neighborhood leading to your home . A couple of hours will make a world of difference.

You are a Stakeholder in the community and we invite you to come to a Neighborhood Council meeting to learn what is happening in our community. See our website at [Northridgesouth.org](http://Northridgesouth.org) for a calendar of meeting dates. Our meetings are held at:

Northridge Middle School, 17960 Chase Street Northridge, CA 91325

We hope to see you there.

Sincerely,

James Ashjian, President,  
Northridge South Neighborhood Council
