### ABOUT POLICE PERMITS

Some businesses are required to obtain a police permit before starting operation. The police permit application process allows the City to obtain information concerning ownership of a business and to inspect the ongoing operation during normal business hours. A background check is also performed during the processing of the application. On October 15, 2014, a procedure was adopted to inform neighborhood councils of First Amendment\* applications pending action by the Police Permit Review Panel.

Objections may or may not be cause to deny a Police Commission Permit. However, conditions governing the operation of the business may be imposed based on verifiable adverse information of the applicant. (New applicants are not responsible for previous owner actions.)
